Evergreens For The Christmas Holidays And All Other Winter Decorations

Are you looking for something unusual? Something that has not become common by long-time usage? Something that breathes an air of originality?

Nothing that you can use in your home, or send to friends, will be more distinctive, or welcome, than a box of Christmas Greens from the slopes of the Blue Ridge Mountains.

All assortments are cut fresh daily, packed and shipped promptly. Without question these greens will be the outstanding note in your home decoration, and in the home of the friend whom you wish to remember at the holiday season.

Case N contains sufficient for a dinner-table decoration, to use on the sideboard and serving table.

Case Q will be ample for decorating the living-room, dining-room, and a few sprays in other rooms. Likewise it will supply material for the complete decoration of a small apartment.

Most holiday remembrances—flowers, candies, and the like—last but a few days; even the memory has disappeared in a fortnight or so.

Decorations of evergreens will remain fresh for weeks, bringing a daily thought of the donor. One of my friends said that the Galax, the Holly and the Ground Pine kept splendidly until long after Candlemas, and that the Spruce remained green for over three months.

SEND A BOX TO YOUR FRIENDS

Select the box collection that appeals to you (or make an assortment as you choose), send the name and address of your friends, and I will ship direct from Ashford. A card, bearing your own name as the giver will be enclosed in the box.

I am sure that you and your friends will be delighted with this unusual token of regard at the holiday season.
